Hello again.
To make it and fit, the total estimated will be £3,800.
If you want a formal quotation I can do one.
Kind regards
Robert

Good Day,

Following our telephone conversation yesterday I am resending this e-mail with the photographs of the horse trough as we discussed.

I would point out that having rechecked, that the dimensions are nearer six foot long and two foot six inches wide approximately two foot deep.

I look forward to hearing from you.

Regards

Bob Harvey.

Good Day,

I contacted you by e-mail yesterday regarding a stolen horse trough.

As requested will it be possible to quote Limpsfield Parish Council for a similar replacement.

If need more detail please do let us know. In the meantime I attach two images of the horse trough that was stolen.

Regards

Bob Harvey
