Quotation (valid for 30 days)

Dear Ann,

Path Across the Golf Club

It was lovely to help with the bench and look at the golf club path today. We discussed widening the path by adding more stone to its northern edge.

I would propose to have bulk bags of stone delivered to the Golf Club path, (subject to me obtaining their permission), and transporting them to the path that requires addressing.

Quote to include;
Liaison with the Golf Club
Purchase and delivery of the stone
Moving the stone to the necessary location
Compaction of the path
Labour and fuel
Risk Assessment and Method Statement

Cost £2,100.00
VAT@20% £420.00

Total Cost £2,520.00

Yours Sincerely,

Andrew Wright
